REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In August 2008 our staff held an Open House which allowed parents to meet teachers and receive class assignments. Student handbooks were provided for each student. During the first week, handbooks were reviewed and PBIS (Positive Behavioral Interventions and Strategies) was shared with students, staff and parents. The PBIS initiative and additional counselors added to the staff was instrumental in improving discipline and reducing office referrals. Treat all with respect; Exhibit self control; Act responsibly; Maintain a positive attitude = TEAM. TEAM is the driving force behind Bennettsville Elementary School. All teachers have the same expectations throughout the entire school including the classrooms, the cafeteria, the bathrooms, the bus area, the car rider area, assemblies, playground, and in the hallways. Parental involvement and discipline were barriers to be addressed. We planned PTO and SIC meetings each nine weeks, invited parents to lunch five times during the year, and our highlighted activity was our Parents' School Night held in the spring. Many opportunities were made available to the students for success. These included after school programs, chorus performances, and participation in plays, computer classes, community involvement, and hands-on learning within the classroom. Other activities included a Circus, Field Day, Trick-A-Trunk, Sweet-Heart Store, monthly dances, and cake decorating for Easter and Mother's Day. In addition three times a week, our Media Specialist and "News Crew" broadcast school news for everyone in the school to view. We recognized our staff in a bimonthly newsletter sent to board members and district office personnel.

You can observe students being actively engaged in the learning process in all grades 3-5. Teachers challenge the students daily to reach their highest potential in academics and in their social lives. To improve academics we utilized technology through the use of Interwrite Boards, Promethean Boards, Streaming videos, and a web-based school/district site. Computer programs such as Compass Learning, Accelerated Reading, Accelerated Math, Fast ForWord, and others further enhanced the learning process. Our teachers used Flanagan and EdHelper to assist them in their planning. Anderson Five, a district wide program was also used to facilitate instruction.

Our faculty and staff continue to become more effective as they take advantage of professional development opportunities made available to them. Our goal is to provide quality instruction while maintaining an atmosphere that encourages individual differences and growth. We have an open door policy and encourage parents to take an active role in their child's education.

Mrs. Sharon Mew, teacher of the year for Bennettsville Elementary School for the 2008/2009 school year, was an inspirational representative for the school. Watching her dedication to the profession left no doubt why she was chosen by her peers. Our new teacher of the year, Ms. Ameerah Eaddy, is excited about taking on this new role and demonstrating her abilities to reach students through music education.
